2. Yellow Ribbon Program

Students

Students will receive VA debts for:

1. Books and Supplies
2. Housing Stipend/Kicker

Preventing School Debts

- ❑ Communication with students about the impact of the following:
 - Reducing training
 - Receiving non-punitive grades
 - Changing their class schedule

- ❑ When non-punitive grades occur:
 - Have a process for students to share mitigating circumstances so that they can be certified to VA
 - If a student does not share mitigating circumstances up front, remind them they can also submit mitigating circumstances to VA to potentially reduce the amount of debt created

- ❑ In order to minimize debts, schools are encouraged to use the best practice of certifying \$0 tuition and fees before the term begins (allowing student to receive books and housing on time) and then certifying the Tuition/Fees/Yellow Ribbon amount at a later date

Debt Establishment Reasons

- Student never attended any classes
- Student completely withdrew on or before first day of term
- Payment for wrong student, duplicate payment, or payment above certified amount due to VA data entry error
- Reporting reduced tuition and fees and/or Yellow Ribbon amounts
- Student withdrew after the first day of the term
- Student reduced hours before or during term
- School reported a reduction in tuition, fees, and/or Yellow Ribbon due to student reducing or terminating training
- Student dropped/added a course with no net change in training time caused change to tuition, fees, and/or Yellow Ribbon amount

Debt Establishment Reasons

Reductions and terminations

- During a school's drop period will be effective the end of the month during which the reduction occurred or the actual date of withdrawal.
- For which punitive grades are assigned will be effective the end of the month during which the reduction occurred or the actual date of withdrawal.
- After the drop period for which non-punitive grades are assigned will be effective the first day of the term unless:
 - The 6-credit hour exclusion is granted
 - Mitigating circumstances (MIT-C) exist

Section 1019- FAQ

Q: This debt is for a term prior to January 5, 2021, why is it still being established for the school under the section 1019 rules?

A: Debt establishment is based on the creation date of the debt, term dates are not a factor

Q: Can you share a formula or teach us how to calculate how much the debt will be when the student reduces?

A: DMC does not establish debts. RPO calculations can include the 6-credit exclusion and/or mitigating circumstances when applicable
